FAULKNER SPRINGS.
The Weeks Budget of News from this
Thriving Suburban Settlement.

FAULKNER SPRINGS, June 19.—
The last few days have been very
much like summer time. We had
an excellent rain here last Saturday
and a very good shower this evening.
Mr. T. H. Faulkner is having his
crop of rye cut this week. It is the
best in the county.

The rock work of Mr. Clay Faulk-
ner's dam is progressing steadily but
rather slow, owing to a scarcity of
experienced hands.

Mr. Erby Montgomery returned
a few days ago from an extensive
trip in the interest of the boot and
shoe house he represents.

Mr. and Mrs. J. T. Odum, of Leb-
anon, left for home yesterday, after a
visit of a few days here.

There was a very large crowd at-
tended preaching here last Sunday,
it being the day of Mrs. Blanks' fu-
neral.

Mr. John (V.) Smith, of McMinn-
ville, has been doing some carpenter
work for the Tennessee Clothing Co.,
this week.

It was unanimously agreed upon
by our Sunday School and commu-
nity in general last Sunday, and ear-
nestly requested that there be no lem-
onade stands or trading stands of any
kind at our picnic on the 4th of July.
Preparations will be made to have
fresh sulphur water on the grounds
during the day. We think this will
be a very good substitute for the lem-
onade, and will also get rid of much
unnecessary noise and disturbance.

Dibrell Dots.

DIBRELL, TENN., June 19, 1888.—
Mr. M. L. Sellers, near Gath, has a
little boy who has been dangerously
sick, and his recovery is very doubt-
ful.

Elder H. L. Walling is booked for
a sermon at Mt. Zion Sunday at 11
a. m., and Oak Grove at 3 p. m.

Most of the farmers now have their
wheat in the shock.

Good sermons at Mt. Zion last
Sunday and Sunday night by E. C.
Preston.

June apples are getting ripe and it
is but little trouble to have good
pies.

Some of our young teachers are at-
tending the teachers' Institute at
Smithville this week.

One of our correspondents made
good suggestions concerning public
roads and bridges last week. We
need more of them. We can have
good roads and a few bridges too, if
we want them.

The weather has been pretty warm
in these parts for the last few days.
Farmers say that the prospects for
oats are much better than a few days
ago.

We still think that steps ought to
be taken to build a commodious
school house near Dibrell at once.

Morrison Musings.

MORRISON, Tenn., June 20.—The
time has come for our little town to
be quiet a while. All the excitement
we have now is created by the ap-
pearance of candidates, who never
tire of talking about the election, and
all think they are sure to be elected.
They are the friendliest people we
meet.

James Anderson and Willie Mar-
tin, who have been attending school
at Viola for the past five months, are
now spending vacation at home.
They both passed the examination
with much credit to themselves, and
honor to their parents.

S. W. Leming was on our streets a
few days ago.

Nim Kell is building a new store
house, and will fill it soon with fam-
ily groceries.

W. T. Rains was in our town Sat-
urday.

Drummers come and go quite often,
but we are not going to give space
for their names. They are too com-
mon.

Fletcher Cunningham was in
our midst Saturday, looking rather
pale.

The post office here seems to be the
center of attraction for the young
men of our town.

Joe Martin sits on the depot plat-
form and looks awful lonesome lately.
Wonder why.

VIOLA.
The Neighborhood News from Our
Regular Correspondent.

VIOLA, TENN., June 21.—The gen-
eral topic for conversation is, "did
you ever see as hot weather?"

The farmers are about through har-
vesting their wheat. We will soon
hear the hum of the thrasher. The
oat crop is generally good. Corn is
growing finely.

Trade among the merchants is
somewhat improved and every one
looks for a fine trade in the near fu-
ture.

Mrs. A. M. St. John is visiting
friends at Beech Grove.

Mr. and Mrs. W. H. Gwyn return-
ed home Tuesday from a visit to Tul-
lahoma.

The most delightful occasion of the
season was a leap year party given
by Mr. and Mrs. J. D. Walling
Wednesday night. The young ladies
sent cards to the young men and the
arrangements were for the young men
to meet at the residence of A. M. St.
John and have the young ladies come
and escort them to the party. Nine
couples marched off as follows: Miss
Fannie Gross, of McMinnville, and
Mr. F. K. West, Miss Fannie Custer
and Mr. Remus Gwyn, Miss Lula
Shockley and Dr. Knapp, of Louis-
ville, Miss Emma Custer and Mr. Ed.
Ramsey, Miss Eva England and Mr.
Calvin St. John, Miss Mollie Laning
and Dr. I. E. St. John, Miss Mollie
St. John and Mr. Charlie Brown,
Miss Ellen Reagan and Mr. Jesse
Bonner, Miss Dora Ramsey and Mr.
Eph. Shockley. There were a few
married couples present to give a
good finish. All engaged in a few
games, all of which were enjoyed
very much. The most prominent
feature of the occasion was the excel-
lent refreshments prepared by Mrs.
Walling, which were nicely arranged
in the yard on small tables, just large
enough for two couples to each table.

All enjoyed the occasion hugely and
tender their hearty thanks to Mr. and
Mrs. Walling for their kindness.

Mr. and Mrs. W. L. Garner and
their daughter, Miss Carrie, left this
week for Omaha, Nebraska, on a
short visit.

Miss Emma Stubblefield, who has
been off selling the garment cutter,
made the homefolks a visit this week.

Dr. E. H. Jones and wife, and Mr.
F. K. West spent Tuesday fishing,
and caught a nice string.

Mr. J. R. Stubblefield and his sis-
ter, Miss Laura, left Wednesday for
Nashville.

Tips From Trousdale.

Trousdale, Tenn., June 16.—Hot
weather, and dry weather. The
farmers are very busy trying to get
the weeds out of their corn. Wheat
is damaged with rust, but still the
yield will be great.

James Anderson, of Morrison, paid
a flying visit to the family of Jesse
Hulet this week.

Fletcher Cunningham has ripe June
apples at his house. He was taken
suddenly and seriously sick, while
going to Morrison last Saturday eve-
ning, and W. T. Rains, M. D., de-
serves great credit for his timely as-
sistance. Fletcher is some better to-
day, but says he thinks old Rouk
will die.

Mrs. A. R. Hammer visited rela-
tives in Coffee county last week.

Brack Womack was circulating
among our neighbors last week, so-
liciting votes of course.

G. N. M. Newby was in this vicin-
ity last week buying chickens, and
begging votes.

Buddy Wilson attended church at
Big Spring Sunday, accompanied by
his mother and sister.

William Jarroll, and family, of
Coffee county, visited William
Holmes Sunday.

A. R. Hammer was summoned
from the wheat field Saturday to re-
plevy some furniture claimed by Joe
Dorley, (col.)

Our neighbors say C. R. Mitchell
goes to Viola every week, lecturing.

We see a "blue" mule hitched at
Mr. Hoover's gate right often lately,
and cupid has already hit the rider
with some of his darts, but Miss Lil-
lie is "same as ever."

Rev. William Sewel, of Viola, passed
through here Saturday and dined
with James Hoover.

Many whose occupations are of a
sedentary character, often have the
feeling of being literally worn out,
and are reminded very forcibly of
declining years, when if they knew
what ailed them, they would find all
their troubles arose from the inaction
of their kidneys or liver. If they
would at such times take Dr. J. H.
McLean's Liver and Kidney Balm,
would again feel the vigor and
strength of maturity. For sale by
